

Living Tributes

Spring, Summer & Fall Floral Beautification Program

We are pleased to offer *Living Tributes* spring, summer and fall floral beautification program.

InstaFloral has been providing this service since 1996. The State of Michigan has now selected InstaFloral to be the exclusive flower vendor to these area cemeteries.

Your *Living Tributes* floral memorial consists of an in-ground patented receptacle into which a spectacular arrangement of growing flowers are placed. The **Tribute** is the premium offering for the single resting place. The **Remembrance** is for monument spaces and companion markers.

Choose from a spring memorial of colorful frost-resistant pansies, a summer memorial of bright begonias, and a fall memorial of hardy yellow mums.

A 3-season memorial that includes the spring, summer and fall arrangements, ensures that flowers will continue to bloom throughout the seasons, providing a warm, loving tribute to your loved one(s).

Price Includes:

- * Flowers blooming & bursting with color
- * Installation of flowers on gravesite
- * Watering and fertilization
- * Use of in-ground floral receptacle*
